## **ARTICLE VII AMENDMENTS**

These Bylaws may be amended only in accordance with the following procedure: the Executive Board shall first adopt a resolution proposing the amendment and recommending its adoption by the members of the Association. Such proposed amendment shall then be presented to the members at a meeting thereof duly called and held for the purpose of considering such proposed amendment. If such proposed amendment is approved by at least two-thirds (2/3) of the votes cast at such meeting, such amendment shall become effective.

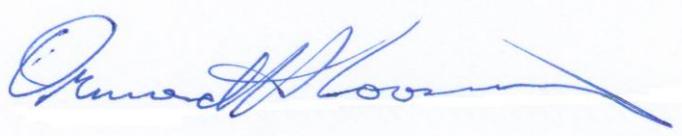

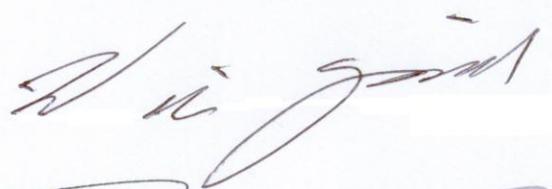

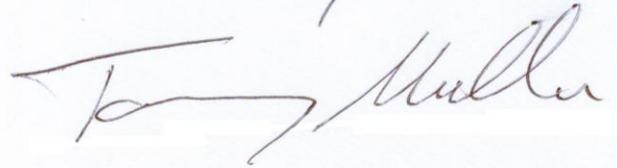

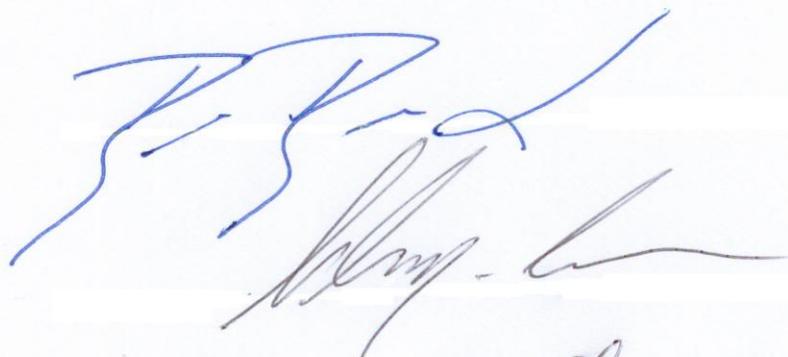

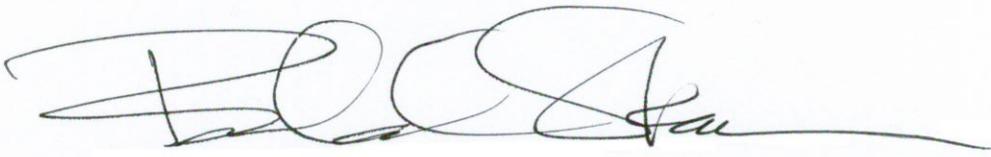

## **ARTICLE VIII INDEMNIFICATION**

Each person who is or was a member of the Executive Board or officer of the Association shall be indemnified by the Association against those expenses (including attorneys' fees) judgments, fines and amounts paid in settlement which are allowed to be paid or reimbursed by the Association under the laws of the State of North Carolina and which are actually and reasonably incurred in connection with any action, suit, or proceeding, pending or threatened, whether civil, criminal, administrative or investigative, in which such person may be involved by reason of his being or having been a member of the Executive Board or officer of the Association. Such indemnification shall be made only in accordance with the laws of the State of North Carolina and subject to the conditions prescribed therein.

In any instance where the laws of the State of North Carolina permit indemnification to be provided to persons who are or have been an officer or member of the Executive Board of the Association only on a determination that certain specified standards of conduct have been met, upon application for indemnification by any such person the Association shall promptly cause such determination to be made (i) by the Executive Board by majority vote of a quorum consisting of members not at the time parties to the proceeding; (ii) if a quorum cannot be obtained by majority vote of a committee duly designated by the Executive Board (in which designation members who are parties may participate), consisting solely of two or more members not at the time parties to the proceeding; (iii) by special legal counsel selected by the Executive Board or its committee in the manner prescribed in (i) or (ii), or if a quorum of the Executive Board cannot be obtained under (i) and a committee cannot be designated under (ii), selected by majority vote of the full Executive Board (in which selection members who are parties may participate); or (iv) by the members, but members who are also members who are at the time parties to the proceeding may not vote on the determination.

As a condition to any such right of indemnification, the Association may require that it be permitted to participate in the defense of any such action or proceeding through legal counsel designated by the Association and at the expense of the Association.

The Association may purchase and maintain insurance on behalf of any such persons whether or not the Association would have the power to indemnify such officers and members of the Executive Board against any liability under the laws of the State of North Carolina. If any expenses or other amounts are paid by way of indemnification, other than by court order, action by the members or by an insurance carrier, the Association shall provide notice of such payment to the members in accordance with the provisions of the laws of the State of North Carolina.
